Water Update

In conjunction with the Gogebic Range Water Authority (GRWA), Ironwood Township has been awarded a 45% grant/loan from the USDA for a new water main to be installed on Lake Road to connect with GRWA east to the hospital, and to install a water storage tank near Grand View Hospital. Construction could begin in the spring of 2009. If you have any questions, please call Rick or Gayla.

Carnegie Library

The Township Board is currently negotiating our contract with the library. The Charter Township of Ironwood Board has supported the library in the past and we are hoping to have a contract in place soon. As always, we appreciate public input on the issue.
